In order to submit the application successfully, the Applicant has to fill out the Application Form, sign all pages with an authorized signature, and send the Application Form back to the Organizer. By filling out the Application Form, the Applicant acknowledges to enter into an agreement with the Organizer, and thereby accepts the terms and conditions for participation and payment of fees. The application has binding effect until its acceptance or final rejection by the Organizer. Any condition or criteria stated on the application form by the Applicant shall be null and void, in which case the application is considered also null and void. The Organizer is only able to host such Applicants, whose offered products are consistent with the theme of the exhibition. The Organizer is entitled to reject any application without giving any reason to it. In no event shall Organizer be liable for any claims arising of the rejection of Applicant's application. The accepted applications are confirmed by the Organizer in writing, which confirmation concludes the contract with the Applicant. The Applicant is requested to send the original Application Form and the terms and conditions to Organizer by mail service. Failure to perform the request above does not affect the contract between the parties. Any reserved stand or exhibition area, which is not occupied by the Applicant at least one day before the exhibition, shall be open for resale by the Organizer, which does not affect the payment obligation of the Applicant, who is obligated to pay default penalty. Additionally, the Organizer shall in no event return the payment or pay compensation regarding the matter above. The allocation of the stands and exhibition areas between the Applicants is determined by the Organizer, considering the theme of the exhibition. **Any special wishes of any Applicant shall be considered by the Organizer, but shall not be considered as binding. The construction of the stands and the performance of any separately ordered services shall be performed by Hungexpo Vásár és Reklám Zrt., (registered seat: 10. Albertirsai út, Budapest, 1101 Hungary) (hereinafter referred to as: Hungexpo), to which a separate contract shall be concluded between the Applicant and Hungexpo. In no event shall Organizer be liable for services performed by Hungexpo.**

Unless mutually agreed otherwise by the parties, the Applicant shall only be entitled to services performed by the Organizer or Hungexpo, and the services agreed to in present contract or an other separate agreement between the parties. At the end of the exhibition, the Applicant shall leave the rented exhibition area, and shall compensate or repair (as chosen by Organizer) any damage caused by it, except for wear caused by proper use.

The fee stated on the respective invoice shall be transferred before the exhibition on the due date, on the there stated bank account without any deductions. Regarding any other services ordered at the exhibition, the invoice shall be sent to the Applicant by Hungexpo or by the Organizer within 8 days after the exhibition. In no event shall the Applicant be entitled to set off any of his other claims against the payable amount to the Organizer stated on the respective invoices. After the confirmation of the acceptance is made, and so the contract is concluded between the parties, the Applicant's payment obligation remains still in force even in the case the Applicant's products for the exhibition wholly

or partially fail to arrive to the exhibition site. In case the Applicant fails to perform its payment obligations until due, Organizer is entitled to use the exhibition area of the Applicant for other purposes, without being obligated to grant an additional timeframe to perform the payment. Applicant is not entitled to raise any claims against the Organizer regarding the matter above. **The late payment of Applicant is considered as cancellation, and thus Applicant shall pay a default penalty to the Organizer as set out in Section V. The Applicant who fails to wholly perform its payment obligations regarding the exhibition, is not entitled to construct a stand or occupy its stand on the exhibition site.** In case of a late payment, interest shall be paid in accordance with the Sections 6:155.§ (1)-(2) of the Act V. of 2013.
